

8 KEYS TO DOMINATE MORE

You hold the keys to domination

CONCEIVE IT

You have to get perspective on yourself, your situation and your end result. Be open to the hard stuff and accept your reality. Start working on yourself and developing your plan of action.

COMMAND IT

What are your actions and results telling you? Get invested in your end game and take full responsibility for it. Your life and schedule need to be aligned with it and commit massive effort towards the targets that will take you to your big end goal.

FIGURE IT OUT

If you have to keep putting the same fire out, you have a problem and you need to address it. Use the problem solving tools that work for you. Take ownership and apply the tools. Get others involved, take time to think about the problem.

POUND IT OUT

This could not be said enough. TAKE MASSIVE ACTION! Create your own measurable score card and track your score. Those who keep score put in more effort and find ways to win. Do what you said you would do, when you said you would do it.

BUILD IT

Build more relationships and grow your network. Take time to invest in your present network and seek ways to help them. Go introduce yourself to new people and hold your first gathering.

DO IT MORE

Do it more often. Do more of the same things that are working. Ask more people to buy, help, etc. Out work and out think your competition. Do what others aren't willing to do. Go all in!!!

GET BETTER AT IT

Invest your time in getting better at what you are good at. Become the best in your field. Read more, try more, practice more, be consistent. Delegate your weakest areas.

SCALE IT

Be smart and leverage other people. Give someone else less money to do it for you. You are helping them and yourself. Use crowdfunding, monthly subscriptions, joint ventures, outside investors and advisors, etc. Get creative with your cash flow.
